athome
apartments

YOUR HOME WHEN YOUR AWAY

athome apartments are listed as a particularly attractive alternative to expensive hotel apartments, and offer well-furnished and comfortable housing for anyone who needs a temporary home for a shorter or longer period.

The apartments are fully furnished, with a homely atmosphere and all the necessary facilities such as a kitchen, living room, bedroom, bathroom and own balcony or terrace and free parking.

athome apartments can be used by business people, health personnel, researchers and private individuals. Several companies also have their own apartment that is available to employees and guests.

The location - in the middle of Business Park Skejby makes everyday life easy for all our guests. athome apartments are next door to the light rail stop. A few minutes' walk away is the main entrance to the University Hospital and close by you will also find Danmarks Radio, the School of Journalism and VIA University College.

In addition, there are good connections to the motorway, and it is only a 10-minute drive to the center of Aarhus.

Why choose athome apartments

athome apartments offer more space, comfort and privacy than what you know from a traditional hotel – and it's much cheaper.

The apartments are designed and built for anyone who needs temporary accommodation. athome apartments are fully furnished with a homely atmosphere and all necessary facilities - and you get free Wi-Fi with private router.

When choosing athome apartments, you also have access to a free parking space, free fitness room and laundry room, as well as the option to purchase additional services.

We've made it easy for you

When you book your stay online, you can also select some of the many services such as storage room, bike-rental and much more. Upon arrival you gain access to the building using your personal athome code. In the basement, you collect your key in the set-up key boxes, for which you have been given a code.

If you have practical problems during your stay, you can contact our facility crew - they are always ready to help you.
